THE OLD PHOENIX STILL LEADS.

Robert R. Edmonds made application to the Phoenix Mutual Life Insurance Company for \$5,000 life insurance on March 17, 1893. The policy was issued at the home office on March 21st and reached Kirksville, March 24th, the day of Mr. Edmonds death.

The proofs of death were completed on April 11, and draft forwarded the same day reaching Mrs. Edmonds on April 14. Thus placing the Phoenix ahead of all competitors for promptness in paying claims.

Received from the Phoenix Mutual Life Insurance Company \$5,000 in full payment of policy 123017 on the life of my husband Robert R. Edmonds. TRYPHOSA EDMONDS.

ISAAC D. SPERRY, MGR., DEAR SIR:—I wish to thank you and through you the Company for the prompt payment of the \$5,000 policy held by my husband in your company. He having died just one week from date of his application. This was a most remarkable case and the Company deserves the high position she occupies in this community as well as elsewhere. Very Respectfully, TRYPHOSA EDMONDS.

A FEW ENDORSEMENTS.

I consider the Phoenix among the very best insurance companies doing business in this country. I carry \$10,000 in the company and am well satisfied with it. I consider it a good investment. C. E. DARRLOW.

I believe in life insurance as is attested by the fact that I carry \$10,000 on my life in the Phoenix which I consider one of the best investments I have ever made. The policy of the Phoenix being devoid of technicalities and obscure phrases, and the annual participation in the dividends by the policy holders makes it one of the most desirable and cheapest companies in which to insure. D. A. ELY.

I carry insurance with the Phoenix and am pleased to say I paid my second premium a few days ago and received a cash dividend of \$11.25 on a \$1,000 policy. F. GRASSIE.

I carry a \$4,000 policy with the Phoenix in which I am well pleased, the contract is so plain that a child could understand it. MARY F. DAWDY.

I carry insurance in the Phoenix and think it the best plan I have ever investigated. WM. F. DAWDY.

I have \$5,000 in the Phoenix on my own life and my wife has \$2,500 which I am well pleased with. G. W. RUFF.

I believe in a yearly distribution of dividends and would not carry any other kind of insurance and that is the plan of the Phoenix. J. E. WHITEACE.

I am a great believer in life insurance; am carrying some insurance myself even at my age. The Phoenix Mutual Life Insurance company is a good company and pays promptly as evidenced by their prompt payment to Mrs. Edmonds of \$5,000 on a policy that had only been taken out one week prior to Mr. Edmonds death. Respectfully, R. M. RINGO.

I have faith in life insurance especially the old line companies and I regard the Phoenix as very reliable and safe, and worthy of patronage. Their prompt payment of the \$5,000 on the policy of R. R. Edmonds, who died before the policy was received, was greatly to their credit. I carry policies in old line companies on my own life and believe it a wise thing for all men to do. W. T. BAIRD.

I take pleasure in recommending the Phoenix Mutual Life Insurance company of Hartford to the general public. Have always found the company prompt and liberal in the adjustment of death losses and believe it to be sound and safe in every particular. Respectfully, B. F. HEINE, Cash.

I believe in life insurance companies that give the policy holders the benefit of the surplus each year. I recommend and endorse the Old Phoenix for this feature. I carry life insurance on the above plan. A. L. DONEGGY.

I am insured in the Phoenix insurance company and think it as good as any; only wish I had gone in when younger. R. D. HAMILTON.

I have received a very handsome dividend on my endorsement policy with the Phoenix and consider I have as good as any. H. E. MILLAN.

And many more which space will not admit of mention. The above record is one we are proud of and we will still continue to give the best for the least money.
